

## Who can join?

*The President's Table* is open to every member of the Uniting Church. It may be of particular interest for those members who have a special interest in the national and world life of the church. Members are asked to make an annual contribution of \$100. Some adult fellowships decide to join as a group and ask different members to go to each gathering.

## The Benefits

By joining *the President's Table* you will:

- have the chance, each year, to meet with the President and other national church leaders over a low-cost meal in your part of Australia and hear first hand about church action, needs, issues and plans.
- receive the newsletter *Tabletalk* twice a year. *Tabletalk* contains information on the national life of the church, particularly mission and service activities.
- have the opportunity to further assist in the mission of Jesus Christ.

## Benefits to the Church

*The President's Table* has the potential to impact on the wider church by:

- giving the President a chance to talk and reflect with members of the Church in all walks of life
- creating a platform for the church to tell people what's happening on a national level particularly in the area of mission
- the creation of a fund for special mission projects that will be available to the whole church. Decisions for how that money is distributed will be made on the advice of leaders such as the President and General Secretary of the Uniting Church National Assembly.

PLEASE FORWARD THIS SLIP TO: THE PRESIDENT'S TABLE PO BOX A2266 SYDNEY SOUTH NSW 1235

# A message from the President

*"I want to see the Church grow in the mission of God."*

*The President's Table* is a great opportunity enjoy a meal with you in each region of Australia. It is a unique way to share in the mission God has given the National Uniting Church.

I look forward to sharing with you what is happening in Australia and beyond as well as in the Uniting Church. The President is given an amazing perspective but it is vital for me that we have the time and the occasion to hear from each other as well. Together around *the President's Table* we can share in the mission God has given this Uniting Church.

*Rev. Gregor Henderson*
